## **Certificate of Declaration RoHS III / REACH SVHC-235**

This document, June.14<sup>th</sup>, 2023 is the complete declaration on behalf of Java Technologies Co., Ltd. that products manufactured comply with the following current European Directives;

JAVA is committed to comply with European Union's (EU) REACH Regulation EC 1907/2006 by providing sufficient information on substances included in Annex XIV and Annex XVII identified as Substances of Very High Concern (SVHC). JAVA has not identified any substances from the SVHC candidate list issued June.14<sup>th</sup>, 2023 (REACH 235) that are intentionally added to our products or to the associated packaging, in a concentration above 0.1% (1000ppm) weight by weight.

The SVHC candidate list has been updated as of June.14<sup>th</sup>, 2023 (REACH 235) and IRC expects that there will be no SVHCs contained in our products defined as Articles under the REACH Regulation.

Important note: lead and lead free versions of our devices are available. Customers are required to request lead free terminations in order to meet REACH 235 requirements.

JAVA will continue to comply with REACH requirements and notify customers of any change in article content.

If there is any questions, please contact us.
